## PREPARATION OF THE ALTAR AND THE GIFTS

When song is used [at the Preparation of the Altar and the Gifts], it need not speak of bread and wine or of offering. The proper function of this song is to accompany and celebrate the communal aspects of the procession. The text, therefore, can be any appropriate song of praise or of rejoicing in keeping with the season. (*Music in Catholic Worship, #71*)

## SENDING FORTH

See *Topical Index: Sending Forth*

The recessional song has never been an official part of the rite; hence musicians are free to plan music which provides an appropriate closing to the liturgy. A song is one possible choice. However, if the people have sung a song after communion, it may be advisable to use only an instrumental or choir recessional. (*Music in Catholic Worship, #73*)
